How to Get Help at Deaconess Cross Pointe

Our CARE (Call Assessment Referral Evaluation) Team is available to handle calls 24 hours a day, seven days a week at **812-476-7200** or toll free **1-800-947-6789**. During a confidential assessment, one of our licensed mental health professionals works with the patient and the patient's family to learn their specific situation and needs. Our treatment team then develops a recommended treatment plan, which may include resources from within Deaconess Cross Pointe and from elsewhere in the community.
