

Mission: Empowering individuals, children & families; lighting their path to stability and hope through counseling, adoption services and community outreach.

Since 1885 Lampion Center has changed lives through counseling, family strengthening programs, psychological testing & evaluation, adoption services, crisis services, school & workplace programs, outreach and community advocacy. We bring light and hope to the lives of individuals and families in southwestern Indiana by guiding them and walking side by side with them through the transitions, challenges, and traumas experienced in life.

Counseling Services:

Lampion Center provides quality and affordable outpatient counseling services to residents of Vanderburgh, Warrick and Posey County. Services include:

- Individual & Family Counseling
- Age-Appropriate Therapy for Young Children
- Counseling for Victims of Crime
- Employee Assistance Counseling
- Domestic Violence Counseling
- Crisis Intervention & Response Services

Psychological Evaluation:

Diagnostic Evaluation for ADD/ADHD, IQ, Depression, Dementia and more.

Adoption Services:

Home study, background checks and family preparation for those families pursuing adoption.

Community Outreach:

- Stewards of Children child sexual abuse prevention program
- Parenting Groups
- "Transparenting" classes for divorce adjustment, upon referral of Vanderburgh and Warrick County Courts

Lampion Center accepts Medicaid, Medicare, and many other insurances. Otherwise, counseling and psychological evaluations are provided on a subsidized fee scale based on client household income.
